Dear Parents:

Our **Spring Concert** is quickly approaching. The concert will be on **Monday, February 8**. A fundraiser dinner sponsored by the Booster Club will be offered in conjunction with the concert. I appreciate the hard work of Booster Club members who have made this possible. Please see the attached sheet for information about ordering tickets.

All band students are expected to be present for the entire concert. They will perform with their band and listen to the other two bands. It is equally important for the students to listen to the other groups as it is to perform. We are discussing appropriate concert etiquette in class, as well as our expectations for behavior.

Please see the information below about when each group needs to arrive:

Concert Band:

5:30 pm Arrive at Space Center, warm-up
6:00 pm Perform
