T-shirt sponsors needed

Each year band students purchase a t-shirt that they will wear when they are representing the school on field trips and other social functions. As a sponsor of the Space Center Intermediate Band, your contribution will enable our children to travel and compete in various locales around the state, and assist with the purchase of quality instruments that are kept on site for daily rehearsals.

As a SCIS Band Booster Club sponsor, your company name will be advertised on the back of our t-shirt prominently displayed each time one of our four bands have an occasion to wear them. Sponsorships are \$300.00 to affix your company's logo on the back of the shirt. Family sponsors of \$100.00 will be printed on the back of the shirt in block lettering.

Without your generosity, the Space Center Intermediate Band booster club and the programs and services it supports would not be possible.

Thank you for your support of the SCIS Band.
